

ART JOB NUMBER: _____

ART APPROVAL: _____

CONTAMINATED SOIL PROFILE APPLICATION and GENERATOR CERTIFICATION

GENERAL INFORMATION

1. Generator: _____
 Site Address, City, Zip: _____
 Contact: _____ Telephone: (_____) _____

2. Client/Billing Party: _____
 Address: _____
 Contact: _____ Telephone: (_____) _____

3. Waste Stream Name: _____

4. Material Quantity (tons): _____ How contaminated soil was generated: _____

5. Does this project require 1166 permit? YES (If Yes, please provide 1166 Monitoring Logs) NO

6. Material Characteristics - Foreign Material (concrete, steel, wood, plastic, etc.): _____ % Estimated percent moisture: _____ %
 Soil Type: Gravel _____ % Sand _____ % Clay _____ % Size (% by weight): >4" _____ 4" - 2" _____ <2" _____

7. Contaminant: _____ Concentration: _____
 Contaminant: _____ Concentration: _____
 Contaminant: _____ Concentration: _____

8. Delivery Method: _____ Transporter: _____

9. Anticipated Delivery Date: _____

Generator Certification:

- I hereby certify that the non-Hazardous/non-RCRA material proposed to be treated at the American Remedial Technologies Facility in Lynwood, California, is non-hazardous according to criteria contained in 40 CFR, Chapter 1, Part 261, and Title 22, California Code of Regulations (CCR), Division 4.5, Section 66261.3.
- I also certify that the material proposed to be treated contains metal concentrations below the Soluble Threshold Limit Concentration (STLC) and Total Threshold Limit Concentration (TTLC) contained in CCR Title 22, Section 66261.24 (a) (2) and that laboratory analysis were conducted by a State of California certified laboratory. In addition, if Lead is present it does not exceed 350 mg/kg.
- I further certify that the material analyzed herein is representative of material to be delivered to the American Remedial Technologies site. Each load shall be accompanied by a non-hazardous waste manifest which certifies that the material contained therein is non-hazardous in nature, based on current chemical analysis which accompany this certification.
- If any soils delivered to American Remedial Technologies are found to be "hazardous waste" pursuant to state or federal regulations, Client shall be solely responsible for their removal. If Client fails to remove such soils, American Remedial Technologies, acting as Client's agent, may arrange for such removal at Client's expense.
- By executing and submitting this Contaminated Soil Profile Application and Generator Certification; client acknowledges receipt of, and agrees to the terms and conditions stipulated in the attached ART Service Agreement.
- PAYMENT TERMS ARE NET 30 DAYS, NO PAY WHEN PAID TERMS ACCEPTED. _____ (INITIAL)

I warrant that I am an authorized representative of the Generator. I believe that the information I have submitted is true, accurate, and complete.
